You will savour beautiful Nova Scotia river country at the Lodge, a unique refuge offering superb outdoor recreation, outstanding cuisine, & engaging culinary experiences in a spot so wild there is no cell phone coverage! An unparalleled place for relaxation & enjoyment of the outdoors, this 5-star inn's 100 acre wooded estate borders the remote Tobeatic Wilderness Area & the scenic waters of the scenic Tusket & Napier Rivers, yet lies an easy drive from scenic French Acadian villages, historic seafaring ports, stunning beaches, & Bay of Fundy seacoasts.

"It's proper backwoods - you won't even find mobile phone signal here - but for an authentically Canadian . . . experience on the east coast, there's nowhere better."
